CIVIL DIVISION

Case No. GD-21-13314

**DECLARATION OF JACK
EWASHKO IN SUPPORT OF LEAD
PLAINTIFF’S MOTION FOR
AUTHORIZATION TO DISTRIBUTE
THE NET SETTLEMENT FUND**

I, JACK EWASHKO, hereby declare under penalty of perjury as follows:

1. I am a Director of Case Management of A.B. Data, Ltd.’s Class Action Administration Company (“A.B. Data”). Pursuant to the Court’s February 16, 2024 Order Granting Plaintiff’s Motion for Preliminary Approval of Class Action Settlement, for Issuance of Notice to the Class, and for Scheduling of Fairness Hearing (“Preliminary Approval Order”), A.B. Data was authorized to act as the Claims Administrator in connection with the Settlement of the above-captioned action.¹ The following statements are based on my personal knowledge and information provided by other A.B. Data employees working under my supervision, and if called on to do so, I could and would testify competently thereto.

2. Since the Court appointed A.B. Data as the Claims Administrator, A.B. Data has, among other things: (i) mailed to potential Class Members the Notice of (I) Pendency of Class

¹ Unless otherwise defined herein, all capitalized terms have the meanings set forth in the Stipulation and Agreement of Settlement, dated January 18, 2024. (the “Stipulation”).

Action and Proposed Settlement; (II) Settlement Fairness Hearing; and (III) Motion for Attorney's Fees and Reimbursement of Expenses ("Notice") and the Proof of Claim and Release Form ("Claim Form") (collectively, the Notice and Claim Form are referred to as the "Notice Packet") to nominees and potential Class Members; (ii) created and maintains a toll-free telephone helpline and website dedicated to the Action and the Settlement to assist Class Members and potential claimants during the course of the administration; (iii) caused the Summary Notice to be published;² (v) received and processed Claim Forms submitted in connection with the Settlement; and (vi) calculated claimants' Recognized Loss pursuant to the Court-approved Plan of Allocation set forth in the Notice.

3. On June 12, 2024, the Court entered the Order and Final Judgment Approving the Class Action Settlement and Plan of Allocation ("Judgment"), granting final approval to the Settlement reached in the Action. As set forth in the Stipulation, Defendants paid or caused to be paid \$16,000,000 in cash into escrow for the benefit of the Class. The Effective Date of the Settlement has occurred, and the Net Settlement Fund may be distributed to Authorized Claimants upon Order of this Court.

4. A.B. Data has completed processing all Claim Forms received through October 15, 2025³, in accordance with the Stipulation and the Court-approved Plan of Allocation and hereby submits its administrative determinations accepting and rejecting the Claim Forms in preparation for distribution of the Net Settlement Fund to Authorized Claimants.

² The efforts undertaken by A.B. Data in providing notice of the Settlement to the Class Members is detailed in the previously submitted Affidavit of Jack Ewashko Regarding Mailing and Publication of Notice, dated May 8, 2024.

³ As further described in ¶30, in anticipation of completing the administration of the Settlement, A.B. Data, in consultation with Lead Counsel, determined a cut-off of October 15, 2025, after which no additional Proofs of Claim would be processed or considered for inclusion in the Initial Distribution (as defined herein) of the Net Settlement Fund. This cut-off is necessary to enable an orderly distribution of the Net Settlement Fund to proceed.

PROCEDURES FOLLOWED IN PROCESSING CLAIM FORMS

5. Under the terms set forth in the Notice, each Class Member who wished to be eligible to receive a distribution from the Net Settlement Fund was required to complete and submit to A.B. Data a properly executed Claim Form, postmarked or received no later than July 2, 2024, together with adequate supporting documentation for the transactions and holdings reported therein. Through October 15, 2025, A.B. Data has received 321,714 Claim Forms.

6. In preparation for receiving and processing Claim Forms, A.B. Data: (i) created a unique database to store Claim Form details and images of Claim Forms and supporting documentation (the “Settlement Database”); (ii) trained staff members in the specifics of the Settlement so that Claim Forms would be properly processed; (iii) formulated a system so that inquiries regarding this matter would be properly responded to; (iv) developed various computer programs and screens for entry of claimants’ identifying information, as well as their transactional information; and (v) developed a proprietary “calculation module” that would calculate Recognized Losses pursuant to the Court-approved Plan of Allocation.

7. Eligible Class Members seeking to ensure they would receive their share of the recovery from the Net Settlement Fund were directed in the Notice to submit their Claim Forms to a post office box address specifically designated for the Settlement or online at the Settlement website. Notice Packets that were returned by the Post Office as undeliverable were reviewed for updated addresses and, where available, new addresses were entered into the Settlement Database and new Notice Packets were mailed to the updated addresses. Any correspondence received at the post office box was reviewed and, where necessary, appropriate responses were provided to the senders.

PROCESSING PAPER AND ONLINE CLAIM FORMS

8. Of the 321,714 Claim Forms received by A.B. Data through October 15, 2025, 3,449 were “hard-copy” or “paper” Claim Forms, 4,223 were “online” Claim Forms filed through the online filing portal on the Settlement Website, and 314,042 were “Electronic Claims.” Each of these categories is discussed in more detail below.

9. Once received, paper Claim Forms were opened and prepared for scanning. This process includes unfolding documents, removing staples, copying nonconforming-sized documents, and sorting documents. This manual task of preparing the paper Claim Forms is laborious and time-intensive. Once prepared, paper Claim Forms were scanned into the Settlement Database together with all submitted documentation. Subsequently, each Claim Form was assigned a unique number.

10. Once scanned, the information from each Claim Form, including the claimant’s name, address, the account number/information from the claimant’s supporting documentation, and the claimant’s purchase/acquisition transactions, sale transactions, and holdings listed on the Claim Form, was entered into the Settlement Database. Next, the information and documentation provided by each claimant in support of his, her, or its Claim Form was reviewed to determine whether the claimant had holdings of Mylan N.V. (“MYL”) shares as of the close of trading on November 16, 2020.

11. For online Claim Forms, the transactional information and supporting documentation submitted by the filer through the online filing portal was loaded into the database for review. Once loaded, the Claimant’s purchase/acquisition transactions, sale transactions, and holdings were reviewed and verified in a similar manner to the paper Claim Form processing.

12. In order to process the transactions detailed in the Claim Form, A.B. Data utilized internal codes (“flags”) to identify and classify types of Claim Forms and any deficiency or

ineligibility conditions that existed within those Claim Forms. The appropriate flags were assigned to the Claim Forms as they were processed. For example, where a Claim Form was submitted by a claimant that did not have an opening position of MYL common stock on November 16, 2020 that Claim Form would receive a flag that denoted ineligibility. Similar flags were used to denote other ineligibility conditions, such as duplicate Claim Forms. These flags would indicate to A.B. Data that the claimant was not eligible to receive any payment from the Net Settlement Fund with respect to that Claim Form unless the deficiency was resolved in its entirety. Examples of conditions of ineligibility include the following:

MIDOC	Inadequate or Missing Documentation for Entire Claim Form
DUPCL	Duplicate Claim Form
MISIG	No Signature
NOLOS	No Recognized Loss
NOMYL	No Mylan

13. Because a Claim Form may be deficient only in part, but otherwise acceptable, A.B. Data also utilized flags that were applied only to specific transactions within a Claim Form. For example, if a claimant submitted a Claim Form with supporting documentation for all but one purchase transaction, that one transaction would receive a transaction-specific flag. That flag indicated that one transaction was deficient, but that the Claim Form was otherwise eligible for payment if other transactions in the Claim Form calculated to a Recognized Loss pursuant to the Court-approved Plan of Allocation. Thus, even if the transaction-specific deficiency was never cured, the Claim Form could still be paid. A few examples of transaction-specific deficiencies are as follows:

INDOC	Missing or Inadequate Documentation for Specific Transaction
INEL	Ineligible Transaction

PROCESSING ELECTRONICALLY FILED CLAIM FORM

14. Of the 321,714 Claim Forms received by A.B. Data through October 15, 2025, 314,042 were submitted electronically (“Electronic Claims”) to A.B. Data’s Electronic Claim Filing Team (“ECF Team”). Electronic Claims are typically submitted by institutional investors (“Electronic Claim Filers”) that may have hundreds or thousands of transactions during the relevant period. Rather than provide reams of paper requiring data entry, the Electronic Claim Filers submitting Electronic Claims either mail a computer disc or electronically submit a file to A.B. Data so that A.B. Data may upload all transactions to the Settlement Database.

15. The ECF Team coordinated and supervised the receipt and handling of all Electronic Claims. In this case, the ECF Team reviewed and analyzed each electronic file to ensure that it was formatted in accordance with A.B. Data’s required format and to identify any potential data issues or inconsistencies within the file. If any issues or inconsistencies arose, A.B. Data notified the sender. If the electronic file was deemed to be in an acceptable format, it was then uploaded to the Settlement Database.

16. Once the electronic file was loaded, the Electronic Claims were flagged to denote any deficient or ineligible conditions that existed within them. The flags applied to the Electronic Claims are similar to those applied to paper and online Claim Forms; however, in lieu of manually applying flags, the ECF Team performed programmatic reviews on Electronic Claims to identify deficient and ineligible conditions (such as, but not limited to, price-out-of-range issues and transactions outside the Class Period). The appropriate flags were then assigned programmatically once the output of the reviews was thoroughly analyzed and confirmed for accuracy.

17. The review process also included flagging any Electronic Claims that were not accompanied by a signed Claim Form, which serves as a “Master Claim Form” for all accounts

referenced on the electronic file submitted. Where appropriate, A.B. Data contacted the E-Claim Filers whose submissions were missing information. This process ensures that only fully completed Claim Forms, submitted by properly authorized representatives of the claimants, are considered eligible for payment from the Net Settlement Fund.

18. Finally, at the end of the process, A.B. Data performed various targeted reviews of Electronic Claims, including reviews of high-value claims. These targeted reviews help to ensure that electronic data supplied by claimants does not contain inaccurate information.

EXCLUDED PERSONS AND ENTITIES

19. A.B. Data also reviewed the Claim Forms to ensure that they were not submitted by, or on behalf of, persons or entities that either requested exclusion from the Class or that were excluded from the Class by definition (Stipulation ¶1.39) to the extent that the identities of such persons or entities were known to A.B. Data through the list of Defendants and other excluded persons and entities set forth in the Stipulation and the Notice, and through the claimants' certifications on the Claim Forms. A.B. Data identified one claim as being submitted on behalf of an excluded party and notified the filer of the rejection of the claim; the filer did not contest the rejection.

THE DEFICIENCY PROCESS

20. Many of the Claim Forms received by A.B. Data for processing were incomplete or had one or more defects or conditions of ineligibility (*e.g.*, not signed, not properly documented, or not indicating that the claimant held shares of MYL common stock, which were exchanged for Viatris ("VTRS") shares directly in the stock-for-stock exchange conducted pursuant to the offering materials issued in connection with the November 2020 merger of Mylan N.V. and Upjohn, Inc. to form VTRS). Much of A.B. Data's efforts in handling a claims administration, such as this one, involve claimant communications so that all claimants have sufficient opportunity

to cure any deficiencies and submit a complete claim. Here, the “Deficiency Process,” which involved letters to claimants, as well as telephone calls and emails, was intended to assist claimants in properly completing their otherwise deficient or ineligible submissions so that they would be eligible to participate in the Settlement. As a result of the Deficiency Process, a significant number of claimants who submitted Claim Forms with curable deficiencies are now in good standing and are eligible to participate in the distribution of the Net Settlement Fund. No claimants have contested the rejection of their Claim Forms.

DEFICIENCY PROCESS FOR PAPER AND ONLINE CLAIM FORM

21. If a paper or online Claim Form was determined to be deficient or ineligible, A.B. Data mailed a letter to the claimant describing the defect(s) or condition(s) of ineligibility with his, her, or its Claim Form and advising what, if anything, was necessary to cure the defect(s) in the Claim Form (“Deficiency Notice”). The letter informed the claimant that they were required to submit the appropriate information and/or documentary evidence to complete the Claim Form within twenty (20) days from the date of the letter or the Claim Form would be recommended for rejection to the extent the deficiency(ies) or condition(s) of ineligibility was (were) not cured. The letter also informed claimants of their right to request the Court’s review of their Claim Form if they contested A.B. Data’s administrative determination to reject their Claim Form in whole or in part. The letters explained that any claimant desiring to contest A.B. Data’s administrative determination was required to submit a written statement to A.B. Data requesting Court review of their Claim Form and setting forth the basis for the request. A sample deficiency/ineligibility letter is attached hereto as Exhibit A.

22. Claimants’ responses to the deficiency/ineligibility letters were scanned into the Settlement Database and associated with the corresponding Claim Form. The responses were then carefully reviewed and evaluated by A.B. Data’s team of processors. If a claimant’s response

corrected the defect(s) in their Claim Form, A.B. Data updated the Settlement Database manually to reflect the change(s) in the status of the Claim Form. No claimants have contested the rejection of their Claim Forms.

DEFICIENCY PROCESS FOR ELECTRONIC CLAIMS

23. For Electronic Claims, A.B. Data used the following process to contact the banks, brokers, nominees, and other filers who submitted their data electronically to confirm receipt of their submissions and to notify the filers of any deficiencies or Electronic Claims that were ineligible. These filers were sent an email to the email address included with their Master Claim Form (“Status Email”) with an attached Excel spreadsheet containing detailed information associated with the accounts and indicating which of those accounts within the filing were deficient and/or rejected (“Status Spreadsheet”).

24. Each Status Email provided the following:

- (a) Notified the filer that any Electronic Claim(s) with deficiencies not corrected within twenty (20) days from the date of the Status Email may be rejected;
- (b) Advised the filer of the right to contest the rejection of the Electronic Claim(s) and request the Court’s review of A.B. Data’s administrative determinations to reject the Electronic Claim(s) within twenty (20) days from the date of the Status Email; and
- (c) Provided instructions for submitting corrections.

25. Each Status Spreadsheet emailed to the email address associated with the Master Claim Form contained the following information:

- (a) A listing of all accounts associated with the filing with unique identification numbers;
- (b) Individual accounts that were found to be deficient or ineligible;

- (c) The current status of the accounts in A.B. Data's Settlement Database; and
- (d) The current Recognized Loss calculation associated with the accounts.

26. Samples of the Status Email and the Status Spreadsheet are attached hereto as Exhibits B and C, respectively.

27. A.B. Data emailed a Status Email and Status Spreadsheet to 303 Electronic Claim filers.

28. Electronic Claim filers' responses to the Status Emails and Spreadsheets were reviewed by A.B. Data's ECF Team, scanned and/or loaded into A.B. Data's Settlement Database, and were associated with the corresponding Electronic Claims. If a response corrected the defect(s) or affected the Electronic Claim's status, A.B. Data manually and/or programmatically updated the Settlement Database to reflect the change(s) in the status of the Electronic Claim. No claimants have contested the rejection of their Claim Forms.

LATE BUT OTHERWISE ELIGIBLE CLAIM FORM

29. Through October 15, 2025, A.B. Data has received 112,134 Claim Forms that were postmarked after the July 2, 2024 claim-submission deadline established by the Court. A.B. Data has processed all late Claim Forms received through October 15, 2025, and has determined that, but for their being submitted after the deadline, 8,833 of these late Claim Forms are eligible in whole or in part to participate in the Settlement (the "Late But Otherwise Eligible Claim Forms"), representing Recognized Losses totaling \$440,292,443.22. A.B. Data has not rejected any Claim Form received through October 15, 2025, solely based on its late submission, and A.B. Data believes no delay has resulted from the provisional acceptance of these Late But Otherwise Eligible Claim Forms. To the extent these Claim Forms are eligible but for the fact that they were late, they are recommended herein for payment.

30. However, there must be a final cutoff date after which no more Claim Forms will be accepted for processing and inclusion in the Initial Distribution of the Net Settlement Fund. Acceptance of additional Claim Forms or responses to letters regarding a Claim Form's deficiencies or ineligibility received during the finalization of the administration and the preparation of this Affidavit would necessarily require a delay in the distribution. Accordingly, it is respectfully requested that this Court order that no Claim Form received or adjusted in response to a letter regarding a Claim Form's deficiencies or ineligibility after October 15, 2025, be eligible for payment in the Initial Distribution.

QUALITY ASSURANCE

31. An integral part of the claims administration process is the quality assurance review. Here, after all of the Claim Forms were processed, deficiency and/or ineligibility letters (including Status Emails to Electronic Claim filers) were mailed or emailed, and claimants' responses to such letters/emails were reviewed and processed, supervisors and managers in A.B. Data's Quality Assurance Department performed quality assurance reviews. These quality assurance reviews ensured the correctness and completeness of all Claim Forms processed prior to preparing this Declaration and all of A.B. Data's final documents in support of Lead Plaintiff's Motion for Authorization to Distribute Net Settlement Fund to Authorized Claimants. As part of A.B. Data's quality assurance reviews, A.B. Data performed the following:

- (a) Verified that all Claim Forms were signed by authorized individuals;
- (b) Verified that true duplicate Claim Forms were identified, verified, and rejected;
- (c) Verified that persons and entities excluded from the Settlement Class by definition did not submit Claim Forms and if they did, their Claim Forms were rejected upon review;
- (d) Performed a final quality assurance audit of Claim Forms and all supporting

documentation to ensure completeness of Claim Forms;

- (e) Determined that all claimants requiring deficiency and/or ineligibility letters/emails were sent such letters/emails;
- (f) Performed an audit of deficient Claim Forms;
- (g) Audited Claim Forms that were marked invalid;
- (h) Audited Claim Forms that calculated to no Recognized Loss pursuant to the Court-approved Plan of Allocation;
- (i) Performed other auditing based on Claim Form completion requirements and the calculation specifications of the Court-approved Plan of Allocation; and
- (j) Tested the accuracy of the calculation program used to calculate claimants' Recognized Losses pursuant to the Plan of Allocation.

32. As part of its due diligence in processing Claim Forms, A.B. Data also used a variety of fraud protection controls throughout the administration process to identify potential fraudulent filers. For example, A.B. Data conducted a Questionable Claim Filer search of all Claim Forms submitted in connection with the Settlement by checking the Claim Forms against A.B. Data's database of known questionable filers. This database contains names, addresses, and aliases of individuals or entities that have been investigated by government agencies for questionable claim filing, as well as the names and contact information compiled from previous settlements that A.B. Data has administered where fraudulent claims were received. A.B. Data updates the database on a regular basis. A.B. Data performed various searches of the Settlement Database based on name, aliases, address, and city/ZIP Code. In addition, all A.B. Data's claims processors are trained to identify any potentially inauthentic documentation when processing claims. Processors are instructed to flag any questionable claims and route them to management for further review.

RECOMMENDATION FOR APPROVAL AND REJECTION OF CLAIM FORMS

33. As discussed above, as of October 15, 2025, A.B. Data has received and processed a total of 321,714 Claim Forms. A total of 22,987 Claim Forms received through October 15, 2025 have been determined by A.B. Data to be eligible in whole or in part to receive a payment from the Net Settlement Fund. A total of 298,727 Claim Forms were administratively rejected, after exhaustion of the Deficiency Process explained above.

Timely Submitted and Valid Claim Forms

34. A total of 209,580 Claim Forms were received or postmarked on or before the Court-approved claims submission deadline of July 2, 2024, of which 14,154 Claim Forms were determined by A.B. Data to be valid and are being recommended for acceptance by the Court. The total Recognized Loss for these timely submitted and valid Claim Forms is \$235,299,161.41

Late But Otherwise Eligible Claim Forms

35. A total of 112,134 Claim Forms were received or postmarked after the Court-approved claims submission deadline of July 2, 2024, but received by October 15, 2025, of which 8,833 Claim Forms were determined by A.B. Data to be otherwise valid and are being recommended for acceptance by the Court. The total Recognized Loss for these Late But Otherwise Eligible Claim Forms is \$440,292,443.22. Accordingly, A.B. Data has determined that 22,987 Claims (*i.e.*, Timely Submitted and Valid Claim Forms and Late but Otherwise Eligible Claims), with a total Recognized Loss Amount of \$675,591,604.63, are acceptable and should receive a distribution.

Rejected Claim Forms

36. A total of 298,727 Claim Forms are recommended for rejection by the Court for the following reasons:

- (a) A total of 163,376 Claim Forms that did not hold shares of MYLAN common

stock.

- (b) A total of 16,898 Claim Forms did not result in a Recognized Loss pursuant to the Court-approved Plan of Allocation.
- (c) A total of 118,062 Claim Forms were Replaced Claims (*i.e.*, claims that received a deficiency notice and produced an updated claim which replaced the original).
- (d) A total of 320 Claim Forms were duplicates.
- (e) A total of 51 Claim Forms were withdrawn.
- (f) A total of 19 E-claim Placeholders.
- (g) A total of 1 Excluded Party.

High claim rejection rates are typical in securities class action settlements, particularly where class members may be uncertain about their eligibility or where institutional investors submit initial claims that are subsequently replaced with corrected versions, as happened here.

Lists of All Claim Forms Submitted

37. Exhibits D through F attached hereto provide lists of all Claim Forms submitted in connection with the Settlement.⁴ Specifically:

- (a) Exhibit D lists all timely submitted and valid Claim Forms and provides each claimant's corresponding Recognized Loss.
- (b) Exhibit E lists all Late But Otherwise Eligible Claim Forms (*i.e.*, valid Claim Forms that were received or postmarked after the Court-approved claim submission deadline of July 2, 2024, but received by October 15, 2025), and provides each claimant's corresponding Recognized Loss.

⁴ For privacy reasons, Exhibits D through F provide only the claimants' Claim Form numbers and Recognized Loss or reasons for rejection (no names, addresses, or Social Security or other Taxpayer Identification Numbers are disclosed).

- (c) Exhibit F lists all rejected Claim Forms and the reasons for rejection.

FEES AND DISBURSEMENTS

38. A.B. Data agreed to be the Claims Administrator in exchange for payment of its fees and out-of-pocket expenses. Lead Counsel received reports on, and invoices for, the work A.B. Data performed with respect to the provision of notice and administration of the Settlement. Lead Counsel supervised A.B. Data during the claims administration process and reviewed A.B. Data's fees and expenses for accuracy to ensure A.B. Data's work was completed in accordance with the Stipulation and Preliminary Approval Order.

39. A.B. Data's total professional fees and expenses for this matter through December 31, 2025, are \$850,000.00, which includes reimbursement fees paid to banks and brokers for mailing of the Notice Packet. A.B. Data estimates that it will incur \$27,410.00 for the Initial Distribution of the Net Settlement Fund. Should the estimate of fees and expenses to conduct the Initial Distribution of the Net Settlement Fund exceed the actual cost, the excess will be returned to the Net Settlement Fund and will be available for subsequent distribution to Authorized Claimants. Accordingly, there is an outstanding balance of \$877,410.00 payable to A.B. Data from the Settlement Fund, which includes the estimate for completing the Initial Distribution.

DISTRIBUTION PLAN FOR THE NET SETTLEMENT FUND

40. Pursuant to the Settlement, Defendants deposited \$16,000,000 in cash into the Escrow Account. After accounting for interest earned and deducting Attorneys' Fees and Expenses, Administrative Costs, and Taxes, the approximate net settlement balance as of February 5, 2026, is \$10,497,149.70.⁵

41. The total Recognized Loss of all eligible claims is \$675,591,604.63, which exceeds

⁵ The Net Balance does not include any additional interest earned or tax payments incurred prior to distribution.

the net settlement balance of \$10,497,149.70.

42. Should the Court concur with A.B. Data's determinations concerning the provisionally accepted and rejected Claim Forms, including the Late But Otherwise Eligible Claim Forms, as set forth herein, A.B. Data recommends the following distribution plan for the Net Settlement Fund (the "Distribution Plan"):

- (a) A.B. Data will conduct an initial distribution (the "Initial Distribution") of the Net Settlement Fund, after deducting all payments previously approved by the Court and those requested in Plaintiff's motion, and after deducting any taxes, the costs of preparing appropriate tax returns, and any escrow fees, as follows:
 - i. A.B. Data will calculate award amounts to all Authorized Claimants by calculating their *pro rata* shares of the Net Settlement Fund in accordance with the Court-approved Plan of Allocation.
 - ii. A.B. Data will eliminate, pursuant to the terms of the Plan of Allocation, any Authorized Claimants whose distribution payment calculates to less than \$10.00. Such claimants will not receive any distribution from the Net Settlement Fund.
 - iii. After eliminating claimants that would have received less than \$10.00, A.B. Data will recalculate, in accordance with the Court-approved Plan of Allocation, the *pro rata* distribution payments for Authorized Claimants that would receive \$10.00 or more.
 - iv. A.B. Data will then conduct the Initial Distribution of the Net Settlement Fund in accordance with the Court's Order.
 - v. In order to encourage Authorized Claimants to promptly deposit their payments, and to avoid or reduce future expenses relating to uncashed

checks, all Initial Distribution checks will bear a notation: “DEPOSIT PROMPTLY; VOID AND SUBJECT TO REDISTRIBUTION IF NOT NEGOTIATED WITHIN 180 DAYS OF DISTRIBUTION.”⁶

- vi. Authorized Claimants that do not negotiate their Initial Distribution checks within the time allotted or according to the conditions set forth in footnote 6 will irrevocably forfeit all recovery from the Settlement. The funds allocated to all such stale-dated checks will be available for redistribution to other Authorized Claimants in the Second Distribution described below. Similarly, Authorized Claimants that do not negotiate subsequent distributions within the time allotted or according to the conditions set forth in footnote 6 will irrevocably forfeit any further recovery from the Settlement.

- (b) After A.B. Data has made reasonable and diligent efforts to have Authorized Claimants negotiate their Initial Distribution checks, in accordance with the

⁶ In an effort to have as many Authorized Claimants as possible cash their checks, A.B. Data will perform follow-up with those Authorized Claimants whose checks are initially uncashed, either because they are returned to A.B. Data as undeliverable or because the Authorized Claimant simply did not cash the check after a period of time elapses. For Authorized Claimants whose checks are returned as undeliverable, A.B. Data will endeavor to locate new addresses by running the undeliverable addresses through address lookup services. Where a new address is located, A.B. Data will update the Settlement Database accordingly and reissue a distribution check to the Authorized Claimant at the new address. In the event an Authorized Claimant loses or damages his, her, or its check, or otherwise requires a new check, A.B. Data will issue replacements. Distribution reissues will be undertaken only upon written instructions from the Authorized Claimant, provided that the Authorized Claimant returns the previous check where appropriate. For all checks, A.B. Data will void the initial payment prior to reissuing a payment. Authorized Claimants requesting reissuance of checks will be informed that if they do not cash their Initial Distribution checks within 30 days of the mailing of such reissued checks, their check will lapse, their entitlement to recovery will be irrevocably forfeited, and the funds will be reallocated to other Authorized Claimants. Reissue requests for lost or damaged checks will be granted after the void date on the checks; however, void dates on such reissues will be adjusted so as not to delay future redistributions. Requests for reissued checks in connection with the Second Distribution and any subsequent distributions will be handled in the same manner.

Court-approved Plan of Allocation, if any funds then remain in the Net Settlement Fund by reason of uncashed checks, or otherwise, six (6) months after the Initial Distribution, A.B. Data, in consultation with Lead Counsel, will, if cost-effective to do so, redistribute such funds to Authorized Claimants who have cashed their Initial Distribution checks, after payment of any unpaid costs or fees incurred in administering the Net Settlement fund for such redistribution and after the payment of any taxes, the costs of preparing appropriate tax returns, and any escrow fees.

- (c) If any balance still remains in the Net Settlement Fund that, after further distributions, is not cost-effective to reallocate, the remaining balance, after payment of any unpaid fees and expenses incurred in administering the Settlement, shall be contributed to the Pennsylvania Interest on Lawyers Trust Account Board (Stipulation ¶4.15).
- (d) Unless otherwise ordered by the Court, one year after the Initial Distribution, A.B. Data will destroy paper copies of the Claim Forms and all supporting documentation, and one year after all funds have been distributed, A.B. Data will destroy electronic copies of the same.

CONCLUSION

43. A.B. Data respectfully requests that the Court enter an Order approving (i) its administrative determinations accepting and rejecting the Claim Forms submitted herein and (ii) the proposed Distribution Plan.

I declare under penalty of perjury under the laws of the state of Pennsylvania that the foregoing is true and correct to the best of my knowledge.

Executed this 3rd day of February, 2026.

NOTICE OF REJECTION OF CLAIM

DATE: [REDACTED]
RE: [REDACTED]
CLAIM NUMBER: [REDACTED]
RESPONSE DEADLINE: [REDACTED]

Dear Claimant:

We have processed the Proof of Claim and Release Form ("Claim Form") that you submitted in connection with the Settlement achieved in the above-noted litigation. Your Claim, based on our review, is ineligible for a recovery for the reason(s) listed below. Please note that some reasons for ineligibility are curable. To resolve the identified curable condition(s) of ineligibility, please follow the instructions below.

In order for this Claim to be eligible, the identified curable conditions of ineligibility must be resolved, and the Claim must then calculate to a Recognized Loss under the Court-approved Plan of Allocation. Please include a copy of this notice with your response. If you fail to respond by the response deadline printed above, or if your response fails to cure the condition(s) identified below, your Claim will be rejected in its entirety. Please note that this is the only notice you will receive with respect to this Claim.

No "Recognized Claim" Pursuant to Court-Approved Plan of Allocation

In accordance with the Court-approved Plan of Allocation set forth in the Settlement Notice (which is available for review on the Settlement website), we have determined that this Claim calculates to a "Recognized Claim" of zero and therefore is not eligible to receive any distribution from the Net Settlement Fund.

This is NOT a curable deficiency unless you acquired Viatris Inc. common stock in exchange for Mylan N.V. Shares directly in the stock-for stock exchange conducted pursuant to the offering materials. Please note, your Claim may also have other ineligible conditions listed in this notice. If the ineligible conditions listed in this notice are not cured, the Claim will not be recommended for approval and, therefore, will not be eligible to receive any recovery. If other ineligible conditions are resolved but the Claim still does not calculate to a Recognized Claim under the Plan of Allocation, the Claim will remain ineligible.

Missing or Inadequate Documentation for Specific Transaction or Holding Position

The transaction(s) or holding position(s) detailed on the enclosed list are not supported by acceptable documentation.

To resolve this deficiency, you must submit acceptable documentation supporting each of the transactions and/or holding positions detailed on the enclosed list. Acceptable documentation consists of copies of brokerage confirmation slips or monthly brokerage account statements, or an authorized statement from your broker containing the transactional and holding information found in a broker confirmation slip or account statement. For each transaction, the documentation must include the trade date; the number of shares of Viatris Inc. common stock received in exchange for Mylan N.V. ; price per share; and the total price for the transaction. For the ending position, the documentation must show the number of shares of Viatris Inc. common stock held as of the close of trading of the last position of this claim. Examples of unacceptable documentation include: self-generated documents or statements; spreadsheets from your personal records; statements that are missing pertinent information or missing the account holder's name; and printouts from broker websites that do not include the required information.

Claims that are not cured by the response deadline above will be rejected. If you believe your Claim has been rejected in error, you may contact us for assistance and/or request Court review of our determination. To request Court review of your Claim, you must send us a signed written statement that (a) states your reason(s) for contesting the rejection of this Claim, along with any and all documentation supporting your argument(s); (b) specifically states that you "request that the Court review the rejection of this Claim"; and (c) includes a copy of this notice, postmarked no later than the response deadline set forth above. If the dispute concerning your Claim cannot be resolved, you may request that your Claim be presented to the Court for review, which will include the public filing of your Claim and supporting documentation with the Court. If your Disputed Claim is presented to the Court, your Claim Form and supporting documentation will be partially redacted to protect your privacy. Court review should only be sought if you disagree with our determination regarding this Claim.

If you have any questions about this notice or if you want to confirm the status of your Claim after you submit a response to this notice, please contact us at 877-495-0969 or email us at info@ViatrisSecuritiesSettlement.com. Please reference the Claim number listed above in any communication. If you would like to view or download the Settlement Notice, which contains the Plan of Allocation, you may do so by visiting www.ViatrisSecuritiesSettlement.com.

Very truly yours,

A.B. DATA, LTD.

EXHIBIT B

Status Email

Dear Electronic Filer:

Please see the attached spreadsheet containing the status of all accounts received with your electronic filing in regards to the Viatrix Securities Settlement as of [REDACTED].

The information contained in the attached spreadsheet serves as notification of all deficiencies and rejections for all accounts. The first tab of the spreadsheet contains the Deficiency Key, which provides detailed descriptions and resolutions for further assistance. The current status of all claims can be located on the Claim Summary tab in column I, titled Claim Status:

- A. Full: If you fail to respond within twenty (20) days after the date of this notice, or if your response fails to resolve the curable condition(s) identified on the attached file, your Claim will be rejected in its entirety.
- B. Partial: If you fail to respond within twenty (20) days after the date of this notice, or if your response fails to cure the condition(s) identified on the attached file, your Claim will be rejected to the extent that those condition(s) remain uncured.
- C. Accepted: Claim is currently in good standing.

Revisions must be received in the same format as the original file in accordance with the Electronic Claims Filing Guidelines for the case.

If you believe your Claim has been rejected in error, you may request Court review of the determination. To do so, you must - within twenty (20) days after the date of this notice - send us a signed written statement that (a) states your reasons for contesting the rejection of your Claim, along with any supporting documentation, and (b) specifically states that you **request that the Court review the rejection of this Claim**. If the dispute concerning your Claim cannot be resolved, your Claim will be presented to the Court for review, which may include public filing of your Claim and supporting documentation with the Court (with financial account numbers and certain other information redacted). Please note: Court review should only be sought if you disagree with our determination about this Claim. If the dispute concerning your Claim cannot be resolved, your Claim will be presented to the Court for review, which may include public filing of your Claim and supporting documentation with the Court (with financial account numbers and certain other information redacted). Please note: Court review should only be sought if you disagree with our determination about this Claim.

All responses should be sent to the address listed below, or emailed to efiling@abdata.com. Please reference your claim number(s) in all correspondence. You may contact the Viatrix Securities Settlement Helpline at 1-877-495-0969 with any inquiries.

The address for mailed responses via standard mail is:
